

TO ALL FRANZEN PARENTS/GUARDIANS

Cold Weather is Here

Please send your child with appropriate outer clothing for our cold winter days which will be with us for a while. When weather permits, we usually go outside with the students at recess and noon lunch recess. In that we only have enough supervisors to watch the children either outside or inside, it makes it rather impossible if we are going outside and some students are not appropriately dressed.

Necessary winter clothing.
on any day includes **hat and gloves**;
on any day when it snows **hat, gloves and boots**;
to play in the snow **hat, gloves, boots, and snow pants**.

Extra clothes at school:

Several times this school year, there have been children that have needed their parents to bring them a change of clothes for a variety of reasons. Therefore, we are requesting that you send a change of clothes for your child to keep in their locker. Just place an older pair of sweatpants, underwear and socks in a plastic bag to be kept at school. Also, as with other items your child brings to school, it is important that you write your child's name in each item in case they are lost.

As a reminder, Franzen Intermediate follows the procedures as stated in the Student/Parent Handbook.

The temperature will be checked daily (if necessary) using AccuWeather for the information. If the temperature (including wind-chill factor), is **below 20 degrees**, the children will not go outside for recess.

If the temperature (including the wind-chill factor) is 20 and above (twenty) degrees, the children will have recess outdoors.

ALL CHILDREN will go out to recess unless excused with a note from their **DOCTOR**.

Don't Forget Your Gym Shoes

With winter weather upon us and "boot" weather here, parents are reminded that students need to bring shoes to school. It is also important that students bring tennis shoes (not black soled) on physical education day.
